BUSINESS TRANSFER, HEALTHCARE ADMINISTRATION BS -ASSOCIATE IN ARTS (RIC)

RHCA

This program constitutes a JAA transfer program to RIC. Students completing a JAA plan receive an Associate's degree and enter the receiving institution with 60 credits and Junior status. Students must complete all requirements as given. Depending on GPA, students receive a tuition discount of up to 30% at the receiving institution, a waived application fee, and personalized advising.

This transfer program provides students with foundational knowledge in business principles, biology, management, and communication skills. The program emphasizes critical thinking, business fundamentals, introductory biology, and psychology, preparing graduates to enter RIC as juniors with all required credits. Students can then pursue RIC's Healthcare Administration associate in arts and complete their bachelor's degree in two additional years of full-time study.

Program Learning Outcomes

Upon completion of this program, a student will be able to:

- Create written work that develops and expresses ideas and that addresses a given context and target audience.
- 2. Communicate effectively via oral presentations, performances, participation in group work, and visual presentations.
- 3. Identify, analyze, and apply evidence and ideas, question assumptions, and draw logical conclusions.
- 4. Develop information literacy by locating, evaluating, synthesizing, and using information to accomplish a specific purpose.
- 5. Demonstrate an understanding of and apply scientific or quantitative principles, theories, and methods.
- Apply quantitative principles to solve problems and support arguments with quantitative evidence in a variety of formats (e.g. words, tables, graphs, equations, etc.).
- Demonstrate an understanding of global, cultural and historical perspectives.
- Function effectively in social and professional environments and make reasoned decisions based on ethical standards, self-awareness, and personal responsibility.
- Utilize discipline-specific theories and concepts to analyze data, texts, and issues at a level appropriate for a 2-year college student.

Transfer

This program at CCRI is a part of the Joint Admissions Agreement (JAA). JAA helps students transfer seamlessly to Rhode Island College (RIC) or the University of Rhode Island (URI). Students who are eligible for the JAA program have earned less than 30 college credits at the time of joining and have not attended any other college or university.

JAA graduates are guaranteed admissions to either RIC or URI, have personalized advising by a caseload advisor, enter with Junior status at RIC or URI, and are eligible for a tuition discount up to 30% based on GPA.

<u>Please meet with an Academic Advisor</u>/Student Success Coach to help you select the courses that best prepare you for transfer to RIC or <u>URI.</u> For more information, please visit Joint Admissions Agreement

(https://ccri.edu/jaa/) or the Transfer Center (https://ccri.edu/onestop/transfer_center/).
