

PERFORMING ARTS

The Performing Arts Department (<https://www.ccri.edu/performingarts/>) offers students a dynamic and creative environment where students can explore and refine their talents in theater and music. Whether you are interested in acting, directing, technical theater, music performance, or jazz studies, this department provides comprehensive academic and practical training for those pursuing careers in the performing arts.

The Joint Admissions Agreement (JAA) transfer programs in theatre offer students a foundation in various theatre disciplines, preparing them for further study at a four-year institution. These programs focus on key areas such as acting, design, directing, music, performance, and stage management, allowing students to develop both practical skills and theoretical knowledge. With hands-on experience in performance, design, and technical production, students will gain a comprehensive understanding of the theatre arts. These programs are designed for students who wish to transfer to a bachelor's degree program in theatre to the University of Rhode Island (URI) and Rhode Island College (RIC), providing a seamless transition to advanced study and careers in the performing arts.

The Performing Arts Department also offers an Associate of Fine Arts (A.F.A.) degree in one of four specialized tracks: Theatre, Technical Theatre, Music, and Jazz Studies. These programs are designed to foster artistic growth, performance skills, and technical expertise, preparing students for transfer to four-year institutions or entry into the professional arts industry. Visit the Fine Arts catalog page (<https://catalog.ccri.edu/programs-study/fine-arts/>) to learn more information.
